

Team Sponsorship Opportunity

GOALS is an award-winning sport for development organization that provides education, health and well-being support to kids in rural Haiti. Our approach is holistic and we are a strategic long-term organization committed to multi-generational change.

Through soccer, GOALS engages young people in programs that promote education, health and environmental protection to improve their quality of life on a daily basis. Through leadership development and social change initiatives, GOALS is creating stronger, healthier communities in rural Haiti.

The challenge is to make an impact on the lives of rural families, because as long as young people cannot find opportunities in the rural villages where they are born, there is no incentive for them to stay and build their communities. More than half of Haiti's population is under the age of twenty-four which means mobilizing the youth will have a dramatic effect on the future of the country.

We envision a future in which every child in rural Haiti can realize their potential. We welcome you in joining in our vision and becoming part of team GOALS!

The Destra Young Girls
Team

About the team:

- 25 girls aged 8 - 12
- Led by coach Nadege Exhilhomme, who was selected and honored by the YWCA Haiti for being a Young Female Leader
- Four former players, Estericove, Elisabeth, Mirlene and Meriline, now play on the national Haitian youth team

About Destra:

- A particularly remote fishing village supported by subsistence farming (mostly sugar cane)
- With no cars in the village, the nearest paved road is over a 30-minute walk
- No other NGO or governmental support in the area
- There is very little commerce and no jobs, no schools, clinics, markets or churches
- GOALS' most impoverished community
- No electricity or running water; GOALS built the village's first latrine in 2010
- 5 former GOALS alumni from Destra are now on our staff
