

**Want to make a difference? Collect soccer equipment for kids in Haiti!**

**Global Outreach And Love of Soccer (GOALS)** relies on donated soccer equipment that is new or lightly used. These donations go directly to kids in Haiti who play soccer every day without basic equipment. With your help, GOALS can give these players cleats, socks, shin guards, shorts, shirts, and goalkeeper gear. In addition, we can supply teams with materials such as pinnies, cones, soccer balls, pumps, needles, bags, water bottles, and first aid supplies. With enough donated equipment, GOALS can start programs in new areas, which include soccer, community service, and learning activities. A little bit can go a long way in Haiti, so every donation makes a big difference!

***GOALS is a registered non-profit that uses soccer to engage kids in community work that improves their quality of life, the environment, and local leadership.***

**What our players in Haiti need:**

1. Soccer equipment for boys and girls of all ages: cleats, socks, shin guards, shorts, uniforms, gloves, goalie apparel, etc.
2. Sport-related materials: goal nets, bags, cones, corner flags, etc.
3. New or lightly used gear that is clean and in good condition
4. Classroom and program materials such as notebooks, pencils, coloring books, etc.
5. We do not accept:
  - a. Dirty, torn, or unusable apparel, gear, equipment, materials, etc.
  - b. Clothing unsuitable for sports activities, such as jeans, tank tops, etc.

**How to organize an equipment drive for GOALS**

1. Register your equipment drive with GOALS by emailing [contact@goalshaiti.org](mailto:contact@goalshaiti.org).
2. Determine the goal for your drive: is there a deadline? A certain amount of equipment you'd like to collect?
3. Spread word about your drive by contacting your friends, family members, colleagues, classmates, and neighbors. We recommend you contact local soccer clubs and organizations in the area.
4. Collect equipment! Make sure you write down each donation and make sure gear is clean and undamaged.
5. When your drive is complete, please fill out our "In-kind donation form," which can be found at [goalshaiti.org/donate-equipment](http://goalshaiti.org/donate-equipment)
6. Send the gear to GOALS! Please mail donations to 1201 Tree Bay Lane / Sarasota, FL 34242 with your name or organization clearly marked on the outside of the box. We then take responsibility for shipping the equipment down to Haiti.
7. Thank you! GOALS will send you share photos of GOALS kids in Haiti using the equipment you collected. Don't forget to visit [www.facebook.com/goalshaiti](http://www.facebook.com/goalshaiti) and [www.twitter.com/goalshaiti](http://www.twitter.com/goalshaiti) for photos and updates from our programs.
